

Placing a Request from our Omni Partners

To request an item:

Type your search in the [Omni Search Tool](#) (example: *Geek Love*):

The search scope will default to Queen's to Queen's + Omni Libraries.

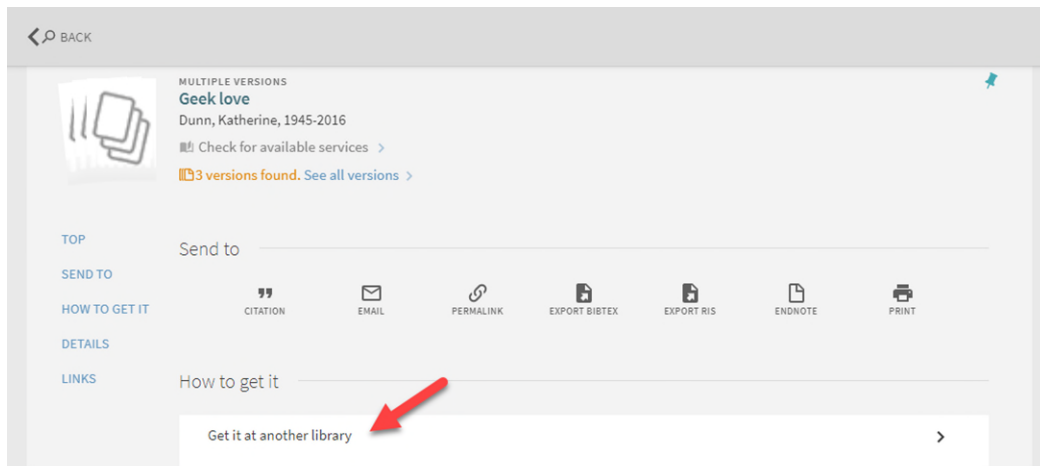

Click **Not available locally** to check for more options.

The screenshot shows the Queen's University Library search interface. The search term "Geek Love" is entered in the search bar. Below the search bar, there is a yellow banner that says "Sign in for more options. Request options are limited due to COVID-19." with a "Sign in" button and a "DISMISS" button. The search results are displayed in a list format. The first result is "Geek love ; 1st Vintage contemporaries ed." by Katherine Dunn, published in 2002. Below the title, it says "Not available locally, check for more options >". The second result is "Geek love" by Katherine Dunn, published in 1990. It also says "Not available locally, check for more options >". On the left side, there are active filters: "List of Versions", "Remember all filters", and "Reset filters". There is also a section for "Modify your results" with an option to "Add results beyond Queen's collection". The "Sort by" dropdown is set to "Date-newest".

Sign in (yellow box) using your Queen's NetID and password (if not already signed in):

The screenshot shows a detailed view of the search result for "Geek love ; 1st Vintage contemporaries ed." by Katherine Dunn. The book cover is displayed on the left. The title and author information are shown. Below the title, it says "Not available locally, check for more options >". There is a "Send to" section with icons for Citation, Email, Permalink, Export BibTex, Export RIS, Endnote, and Print. Below that, there is a "How to get it" section with a yellow banner that says "Please sign in to check if there are any request options." with a "Sign in" button. At the bottom, there is a section for "OMNI LIBRARIES THAT OWN THIS ITEM" which lists "Western University" as "Available in institution".

Under the **Get It** heading, click on **Get it at another library**.

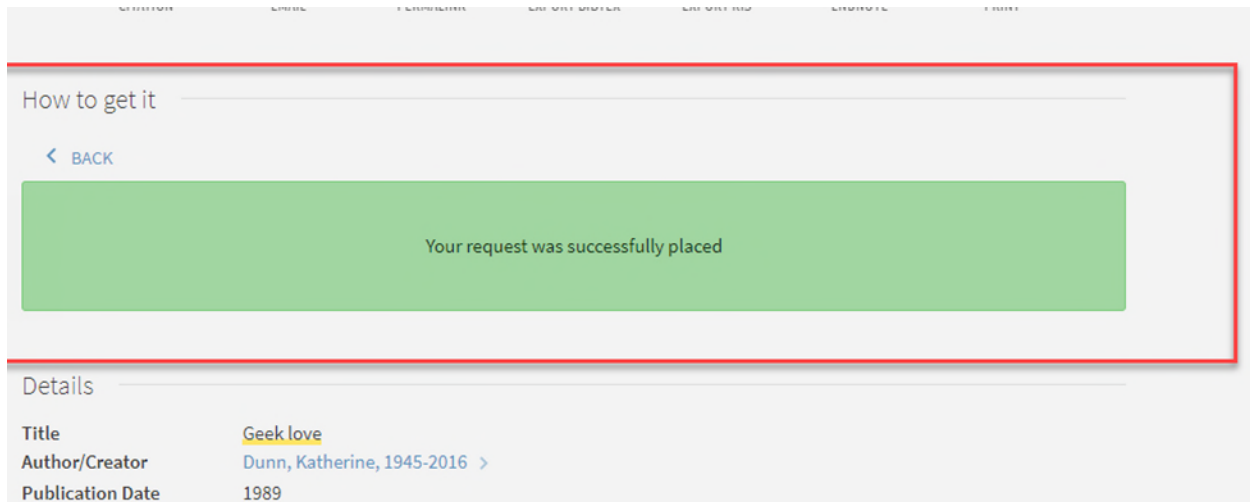

A prefilled **Resource Sharing Request** form will be presented.

Request Type: Physical or Digital (digital requests from book chapters or articles, as per copyright restrictions)

You can also select your preferred pick-up location.

A screenshot of the 'Get it from another library' form. The form is prefilled with the book details: Title 'Geek love /', Author 'Dunn, Katherine,', Edition '1st Vintage contemporaries ed', ISBN '0375713344', Publisher 'Vintage Books,', and Publication year '2002.'. The 'Format' is set to 'Physical'. The 'Preferred Local Pickup Location (Physical)' is set to 'Joseph S. Stauffer Library'. There is a 'Comment' field at the bottom.

Your request has now been placed.

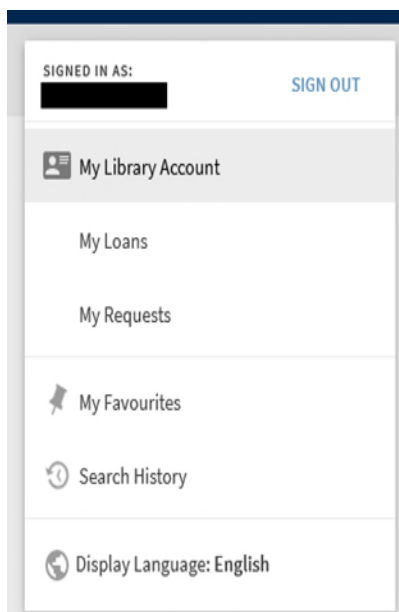

The screenshot shows a web interface with a header area. Below the header, there is a section titled "How to get it" with a back arrow and the text "< BACK". A large green rectangular box in the center contains the text "Your request was successfully placed". Below this, there is a "Details" section with a table of information:

Title	Geek love
Author/Creator	Dunn, Katherine, 1945-2016 >
Publication Date	1989

Status of your Requests

Status of requests can be checked by clicking on your name in the upper right-hand corner of Omni once logged into **My Library Account**.

The screenshot shows a user account menu. At the top, it says "SIGNED IN AS:" followed by a blacked-out name and a "SIGN OUT" link. Below this is a section titled "My Library Account" with a user icon. Underneath are several menu items: "My Loans", "My Requests", "My Favourites" (with a star icon), "Search History" (with a circular arrow icon), and "Display Language: English" (with a globe icon).
